

BOOMERANG-O-VATION – PARTICIPANT APPLICATION

Before applying, please read the checklist and ensure you meet and agree to the terms and conditions of the program.

To apply, fill out the required information on this application form and submit your application along with an up-to-date resume to the email address listed at the end of this form.

After you apply, Tech-Access Canada will work with our members to find a potential host TAC. Selected candidates will participate in an interview with the host TAC.

If both parties are in agreement, the externship will begin at a mutually convenient time.

Contact Information

Name:

Checklist and Certification

- I have attached an up-to-date resume (maximum 3 pages) to my application email.
- I agree to the following terms and conditions if I am selected to participate in the program:
- I attest that I have completed my studies at one of the participating Atlantic region colleges or universities within the last two years.
 - I attest that I am 45 years of age or younger as of the application deadline.
 - I agree to complete both the externship at a Technology Access Centre and an internship at a SME in the Atlantic region. Externs cannot be hired by the Technology Access Centre for additional work terms or contracts immediately following the externship. The final selected candidates will be required to commit in writing to participate in, and complete, both the externship and internship rotations.
 - I agree to complete annual surveys about my experience in the program, and subsequent labour market outcomes.

I certify that my answers are true and complete to the best of my knowledge.

If this application leads to my employment, I understand that false or misleading information in my application or interview may result in my release from the program.

Signature: _____ Date: _____

Please send the completed application form and necessary attached documentation as an email attachment in either PDF or Word format to Boomerangovation@tech-access.ca. Applications will be reviewed as they are received, until the program is full.
